

JABU ZWANE

***7 CS OF HIGH
PERFORMANCE***

"Changing lives, one thought at a time"

KEYNOTE SYNOPSIS

7 C'S OF HIGH PERFORMANCE

There are 7 invisible Cs that can cultivate optimise your success. What costs people their gains from their hard work and stops them from reaching their peak, is often what they don't see. This talk helps people to get unstuck, unleash their underutilised potential and reach optimal peaks of being to succeed by revealing the 7 Invisible Cs. Jabu Zwane offers a fresh mindset development perspective on how to be your own catalyst of high-performance and guaranteed success. The talk is suited for cultivated high levels of self-accountability, overcoming hardship and growing for success.
